RED SEA

Are you searching for the best liveaboards in the Red Sea (Egypt & Sudan)?

You just found it!

Our Blue Force Fleet has two liveaboard cruises in the Red Sea, the Blue Force 2 and the Blue Force 3.

Thanks to these premium class liveaboards and the experience we have gained from over twenty years of diving in these areas, we are able to offer a wide variety of routes in the Red Sea.

## RED SEA BLUE FORCE 3

## RED SEA BLUE FORCE 2 & 3

### RED SEA BLUE FORCE 3 Egypt & Sudan

An excellent ship made of steel, **PREMIUM** category which was launched on November, the 3<sup>rd</sup>, 2018. It is considered by a majority of diving travel agencies across the world as one of the best, most comfortable and stylish liveboards in the Red Sea.

The season of this cruise is divided in two parts: it starts in Sudan from February to May and continues in Egypt from June to December.

In the **Red Sea of Egypt** the weekly cruises start either in Hurghada or Port Ghaleb, in different and varied routes between June and December. There is a planned route schedule that you can check on our website.

On this cruise it is possible to dive throughout all the Red Sea, from the North to the South: Brothers, Zabargad, Daedalus, Elphinstone, Rocky, St. Johns, Ras Mohammed, Tiran... well known wrecks and others less visited ones.

You can even choose routes of 1, 2 or 3 continuous weeks, on the same ship whilst enjoying varied and unique dives for each consecutive trip.

In the **Red Sea of Sudan**, the weekly cruises on board the Blue Force 3 depart on Fridays from Port Sudan between February and May. We plan routes of 8, 10 and 11 days, covering all the coast of Sudan from the North through to the most Southern of the country.

## RED SEA BLUE FORCE 2

Northern Egypt

Our most popular and well-known ship, the Red Sea Blue Force 2, was completely rebuilt in March 2019. Its Marina Port is Sharm El Sheikh from where it sails to "The North" route and to the "Reefs and wrecks" route of the Egyptian Red Sea. We dive every week in Ras Mohamed National Park, the Straits of Tiran and Shaab Mahmoud reefs. Also visited are the well-known wrecks such as the Thistlegorm, Dunraven, Carnatic...and more.

The season of this cruise starts in March and ends in January with a New Year's Cruise, always from Saturday to Saturday.

You can find all the information of our yachts, routes, schedule, availability and prices in our website: [www.blueforcefleet.com](http://www.blueforcefleet.com).

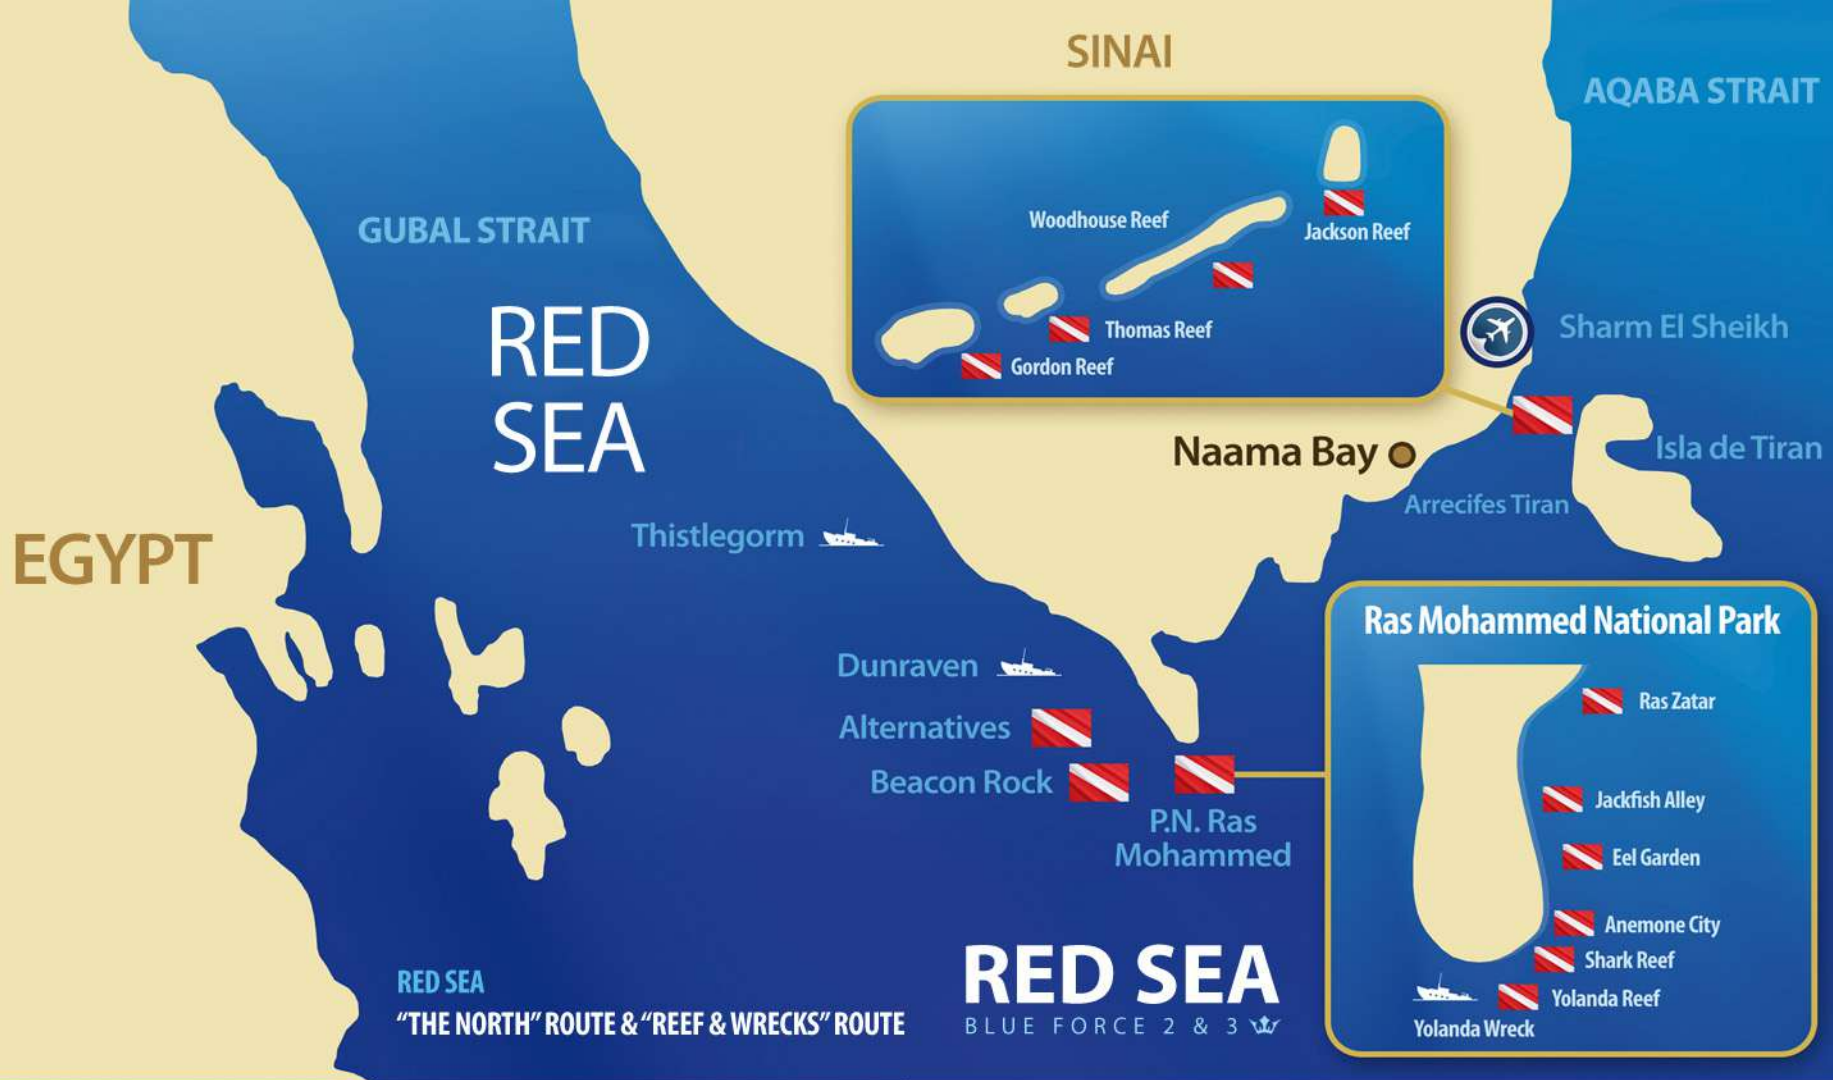

Any of the two dive cruises you can add **tourism extensions in Egypt**. The two most popular options are:

**Option 1, Cairo:** Add some days in Cairo to sightsee the Pyramids, Sphinx, Bazar Khan El Khalili, Mosques, Coptic Quarter...

**Option 2, Nile Cruise:** To the option 1 of Cairo we add a cruise through the Nile between Luxor and Aswan so as to visit Abu Simbel, Karnak, Kings Valley and the Queens Valley...

Other options can be beaches in the Red Sea, Mount Sinai, Petra (Jordan)...

## EGYPT RED SEA BLUE FORCE ROUTES

### "THE NORTH" ROUTE & "REEF & WRECKS" ROUTE

Onboard the Red Sea Blue Force 2

**Diving Sites:** Tiran, Ras Mohammed, Thistlegorm, Giannis D, Carnatic, Small Crack...

"THE NORTH" ROUTE (5 diving days) and the "REEFS & WRECKS" Route (6 diving days) are our number 1 routes and the most well-known. Also, we try to add any exceptional and new diving spots that only the Blue Force Team can offer due to our over 20 years' of diving experience in the Red Sea. Sailing on this route is very short and pleasant, reaching the furthest dive sites in about two hours.

The wide range of dive sites will give you the opportunity of diving amazing reefs like those found in Ras Mohammed National Park and the Straits of Tiran, visiting a World War II museum at the wreck of the SS Thistlegorm, explore spectacular wrecks like the Dunraven and the Kingston and enjoy all the underwater wonders of the Red Sea reefs and pristine dive sites like Small Crack and Shag Rock. Another great highlight is the possibility of snorkeling with dolphins.

It may possibly be the best diving route in the world for its quality and its price.

Embarking and disembarking takes place in Sharm El Sheikh.

 The routes are suitable for all diving levels, however, we recommend an Advance level or similar.

## "WRECKS & REEFS" ROUTE

Onboard the Red Sea Blue Force 3

**Diving Sites:** Thistlegorm, Salem Express, Giannis D, Carnatic, Dunraven, Ras Mohammed, Panorama Reef, Abu Nahas...

This route is one of the most complete and varied in the Red Sea, to which we add some little-known dive spots that only over 20 years of experience in diving of the Blue Force team in the Red Sea can offer you.

It is ideal for those who go on a safari on a liveaboard for the first time to discover the Red Sea and for the most experienced divers. Its diversity allows to enjoy dives amongst amazing shoals of fish in Ras Mohammed National Park, majestic reefs in Small Crack & Panorama Reef, visit authentic underwater museums such as the Kingston, Giannis D, Carnatic, Salem Express & the SS Thistlegorm wrecks with their remains of World War II (considered one of the best in the world) and enjoy a fusion of colors & corals in immersions such as Small Crack or Shag Rock.

Embarking and disembarking takes place in Hurghada.

-  The route are suitable for all diving levels, however, we recommend an Advance level or similar.
